Guest Information

PLEASE PROVIDE THE NAMES OF YOUR GUESTS

Tracy's Kids

And the Winner Is... supports our extraordinary program that helps young cancer patients cope with the emotional stress and trauma of cancer and its treatment. "*Tracy's Kids*" — which began at the Lombardi Cancer Center in 1991 and is based on the model developed there — employs Master's trained, Board Certified art therapists to address the multi-faceted needs of children with cancer through art and play therapy. It is also offered at Children's National Medical Center, Children's Fairfax Clinic, and Fairfax Inova Hospital. Ask one of the children who has experienced "*Tracy's Kids*" during the last 19 years and they will tell you that the program has been an invaluable part of their treatment. So will their parents, siblings and physicians. You can get a sense of what makes it so special at www.tracyskids.org.

The Courage Award

The children served by "*Tracy's Kids*" show bravery everyday in facing the challenges of their illnesses. The Courage Award recognizes a public person who exemplifies the strength, dignity and perseverance necessary to face those daily challenges.

And the Winner Is... Event Description

On the evening of Tuesday, February 9, 2010 — right in the heart of Hollywood's awards season — "*Tracy's Kids*" will once again take over the Regal Theatre Gallery Place to showcase six movies nominated for the film world's most prestigious awards. You and your guest will have the chance to 'walk the red carpet,' enjoy the glamour of a Hollywood premiere, and see one of the films nominated for a coveted award.
